

An **IMPORTANT** note for the Practice Manager.

EASY practice management has just become easier now with **INTEGRATED EASYCLAIM**

MEDILINK esi now offers a fully integrated **EFTPOS terminal** with all the benefits of 21 years of development and experience with its leading Practice Management software.

MEDILINK is the first and only vendor to offer a choice of **EFTPOS** terminals for this integrated solution - the **CBA** and **HICAPS**. **HICAPS** also offers providers online claiming to both Medicare and Private Health Funds in addition to **NAB EFTPOS**.

Note: It does **NOT MATTER** who your Providers bank with. All **EFTPOS** transactions are **IMMEDIATELY** processed and claims paid into their Bank account(s). As are Patient Medicare Rebates into their Bank accounts.

MEDILINK software is well reputed to be the easiest and most intuitive with its best of breed Appointments module included with its most comprehensive range of features for, the smallest to the largest of practices, Practice Management solutions.

Other features include:- All facets and types of billing for medical and allied health needs. Extensive Management reporting makes management very easy and very accountable at the same time.

MEDILINK was the first to receive the HIC's NOI (Notice Of Integration for complete Online Claiming in 2002), another first in 2004 with ECLIPSE and since then Medicare's continual Certification of our software for Online Claiming, now with **integrated Medicare EASYCLAIM – the VERY BEST solution**.

Integrated Paperless Options include:-

- Your Provider's choice of six clinical notes programs (MD2 & 3, Best Practice, Locum 4, Audit 4, Eyedoc or MasterCare).
- Integrated & automated SMS Appointment Reminders with Confirmation includes helpful reporting for easy management. **This is a GREAT time and MONEY SAVER in itself.**
- Integrated Scanning & document management helps further with a "paperless practice".
- Integrated DVA Streamlined Paperless Online Claiming.
- Integrated benchmark products include MS Word, MS Excel and Crystal Reports.
- Integrated **eMESSAGING** to conform to NEHTA's (government agency for eHealth) secure online messaging for Referral Letter transmissions, sending and receiving.

Medilink's unique support (VIPS membership) includes **free Updates**, during the period, with **Untimed phone** and **free Remote Access Support**. **Membership Fee is \$345**, renewable 6 monthly.

Please consider the above and if you don't understand the benefits of **integrated EASYCLAIM** or you wish to know more about how **MEDILINK** can help your Practice - please **FreeCall: 1800 623 633**
